

D7870 District Grant Schedule

For the 2018-2019 Rotary Year, District 7870 will provide District Designated Grants in a slightly different format this year. There will be \$20,000. available and any Club may apply for up to \$2000. that must be matched by the same amount in Club funds for the amount for which they apply. Requests may be approved by the Committee for fewer dollars considering total funds available.

The funds must be used only for a specific community project as described in the District Grant Application Form.

A Club must send a representative to attend a District Grant Seminar to become certified if they have not been in the past. If you are unsure of your Club's Certification status please contact DFC Rick Manganello (see contact info below).

Attached please find the District Grant Application as well as the Final Report Form (also on the District website) which is required at the completion of the project with all receipts included.

Applications must be received by PDG Rich Berryman (18 Foxcross Circle, Concord, NH 03301) by midnight on August 15, 2018 and the District Grant Committee will make its decisions by September 15, 2018 and the District Treasurer will disperse funds by October 1, 2018.

These Grants are at the discretion of the District but will need to be reported to the Rotary Foundation in order for the District Designated Funds to be released.
